

# Advocacy Nuts & Bolts

VIRTUAL WORKSHOPS FOR PARENTS

3 Thursdays in February • 6 - 7:15 p.m. CST

## Know The Laws

Join University of Memphis Law School Professor Daniel Kiel and colleagues Katy Ramsey Mason and Nicole Tuchinda as they explain the legal aspects of special education.

## Testing, Diagnosis and the RTI process

Germantown Municipal School District School psychologist, Christine Hingle, Ed.S., NCSP, will walk us through the testing steps and RTI process in the public school system and Gay Landaiche, Director of the Erika Center at Bodine School, will explain the screenings offered at Bodine.

## Parents as Advocates

Literacy Interventionist Pam DeMato will be joined by William Carey Professor and SPED Advocate Dr. Pokey Stanford to share practical tips and questions parents should ask while navigating the special education process.

Sessions will be moderated by **Gay Landaiche** and **Pam DeMato**, graduates of the Vanderbilt Kennedy Center Volunteer Advocacy Project.
